

CLOSET SHELVING · STANDARD HEIGHTS

Standard Bedroom Closet Heights

The shelf and rod heights we hang on every bedroom and reach-in closet, measured from the finished floor.

Standard shelf & rod heights measured from finished floor. Bay width varies - cut shelves to fit.

Heights from floor

Top shelf	80" (bulkhead height for a shelf run)
Double-hang rods	80" and 40" 2R2S
Single hang + shelf	rod & shelf 65", shelf only 80" 1R2S
Five-shelf stack	20 / 35 / 50 / 65 / 80"

Shelving notes

Bulkheads	80" mid-run · 80¾" open end
Shelf depth	12" bedroom/coat · 16" stacks · cleat 14"
Cleats	1×4 bedroom & coat · 1×2 linen/stack/pantry
Rod	pole socket on the cleat — no brackets

HOW IT FITS TOGETHER

Modules combine into any closet: pair a double-hang with a single-hang for a split reach-in, or drop a five-shelf stack between them.
